

K-Love radio is very important to my family and community due to it's Worship to God, clean fun, and uplifting powerfull music. People who are desperate find encouragement, personally at work it helps me stay focused on the positive side of life.

If my K-love station was displaced by an LPFM broadcaster that would feature other music/talk format, I would be deeply hurt. I pray you would understand the very importance of being able to listen and and pray to God all times of the day and night because of a great inspiring radio station- that provides joy, hope, and peace. This world is so upsidedown we need it.

The benifit K-Love provides to us, the public, is music that all our family members can listen to without the violence, sex and rebeliousness of todays main stream music media, it's refreshing and helps clam drivers, keeps people reminded that there is hope and much more. Please hear us, and let our station continue to bring the fruit of the spirit into our hearts, every minute of the day.

Thank you for your time and consideration in this matter.
